

Special Session on Sharing of Best Practices for the Benefits of Young Business Leaders

CICU organized session on 'Sharing of Best Practices' amongst CICU-Young Business Leaders on 30/05/2013. Shri Avtar Singh, General Secretary CICU advised youngsters to play to their strength, never compromise on quality, improve technology, go for innovations, build up strong brand, provide unique customer service and seek blessings from all corners internally and externally connected with your profession

Shri Upkar Singh Ahuja, Joint Secretary, CICU said that in order to groom young entrepreneurs to contribute for the growth and development of Industry, CICU conducted special session on Sharing of Best Practices for prospective new entrepreneurs, budding business leaders, young CEOs and senior entrepreneurs. More than 80 YBL members attended this session and exchanged their ideas pertaining to cost reduction, waste control, environment protection, time management and increased productivity. Young entrepreneurs engaged in trade and industrial activities representing exporters, importers and manufacturers interacted and covered an overview of trade and industrial business

opportunity for mutual benefits.

10 Companies comprising Appu Internationals, Big Ben Exports, Citizen Press Components, Girdhar Fabrics, K.W. Enterprises, R.D. Lotey Enterprises, Sall Brothers, Taaran Industries, Sangeeta Steel Corporation & Inshox Pvt. Limited presented their presentations and were awarded with trophies.

This interaction would be a great opportunity for developing comprehensive and holistic strategy to improve manufacturing efficiency and sharpen competitive edge by use of skills in their respective units. The silver-lining of opportunity will enable the youngsters to grow and expand their business manifolds.
